

2019 Sponsorship Packages

TESOL Arabia offers four regular tiers of sponsorship packages and benefits. In addition to promotional materials for TESOL Arabia's Annual Conference (e.g., banners, conference program, website, etc.), sponsors increase their visibility all through the year by recognition in TESOL Arabia publications and on our website. Of the **4 regular tiers**, Silver, Gold and Platinum sponsors accrue the greatest benefits, including complimentary exhibition space at the conference. Considered one of the world's foremost professional development opportunities in the field of English as a second language, foreign language, and medium of instruction, TESOL Arabia's Annual International Conference 2019 will attract more than 1,500 primary, secondary and tertiary teachers, educators, managers and administrators from the region and further afield. More than 30 exhibitors regularly participate in the 3-day event, showcasing resources and technologies that increase educators' effectiveness and success in the classroom, and disseminating information about their institutions and the educational courses they offer. The various tiers allow you access to the promotional vehicles that best meet your needs, for example exhibition space at TESOL Arabia's 24th International Conference, or targeted marketing via TESOL Arabia publications.

We will be happy to visit you to discuss which tier is most appropriate for your needs. For more information on any of TESOL Arabia's sponsorship programs, please contact: sponsorship@tesol-arabia.org
